

Tapi Diploma Engineering College, Surat

Managed by Shree Tapi Brahmcharyashram Sabha

(Estd. Year: 2002)

Approved by AICTE, New Delhi

Affiliated to GTU (Gujarat Technological University), Ahmedabad

Vision

To build sound engineers with an orra of human values who are determined for social betterment.

Mission

To develop the Tapi Diploma Engineering college into a “Centre of Excellence” in the field of Technical Education by:

- 👁 Providing the state of art Laboratories & institutional facilities.
- 👁 Encouraging students to study beyond the curriculum.
- 👁 Creating an Environment for all round integrated personality development of students.

Quality Policy

The knowledge oriented system & excellent teaching faculty of the institute, develop a learning environment for all and foster continues improvement in the quality of academic work. Also recognize and improve the skill of student through various curricular & co-curricular activities.

2

About Trust

Shree Tapi Bramcharayasharam Sabha Trust was established in 1924 founded by holy saint Shree Swami Atmanand Sarswatiji. The holy saint from Varanasi came to Surat formed ashram and started preaching the people of the Surat. His words appeal the people of Surat and gave him donations which further he utilized it for health and education Services. People of the society were deprived of education and health services, therefore he decided to use this fund for this noble purpose. He formed Tapi Bramcharayasharam sabha, followers of swamiji in last 90 years providing the education and health services to the lower strata of the society at reasonable cost. Shree Swami Atmanand Sarswati was the great philosopher and social reformer.

Educational institutes under STBS Management

1. ShreeO.H. NazarAyurved College (Estd.-1946)
2. Shree Tapi Brahamcharyashram Sabha Sanchalit Balbhavan (Estd.-1987)
3. Surat Sahkari Spinning Mills Primary School (Estd.-1987)
4. Surat Diamond Association Girls High School (Estd.-1990)
5. M.N.J.Patel Secondary School (Estd.-1990)
6. Shree J.B. Dharukawala Mahila Arts College (Estd.-1994)
7. Dr. K.S.Thakar Girls Primary School (Estd.-1997)
8. Shree J.D. Gabani Commerce College (Estd.-1999)
9. **Tapi Diploma Engineering College, Surat (Estd.-2002)**
10. Shree Swami Atmanand Saraswati Institute of Management and Information Sciences (Estd.-2008)
11. Shree Swami Atmanand Saraswati Institute of Technology (Estd.-2009)
12. Atmanand Saraswati Science College (Estd.-2018)

Non-educational institutes under STBS Management

- 1) Shree Indira Gaushala (Estd.-1930)
- 2) Shree Swami Atmanand Saraswati Ayurved Hospital (Estd.-1954)
- 3) Shree Jamnaba General Hospital (Estd.-1966)

About Institute

Tapi Diploma Engineering College was established in July -2002, by Shree Tapi Brahmcharyashram Sabha Trust. The members of the trust are people with deep interest and commitment to develop state-of-the-art Infrastructure for educational pursuit. Our visionary trustees have been toiling hard since long to give splendid physical and cultural dimensions to this institution.

The excellent, experienced and well trained faculties of our institute will ensure the utmost progress for our dear students. From the beginning, we have created benchmarks for the engineering education community of Gujarat to work with innovative ideas in technology to solve real life problems and face the challenges and changes of this new age. Our institute honors to welcome the students from different parts of Gujarat with different cultures and traditions to gain technical knowledge with moral values and ethics.

Tapi Diploma Engineering College offers

TFWS *- Tuition Fee Waiver Scheme

** 15 % Seats of total sanctioned intake of each course is offered to C to D (Certificate holder (ITI) to diploma) students.

COURSES OFFERED	INTAKE (Total+TFWS*)
Civil Engineering	120+6*
Mechanical Engineering	120+6*
Electrical Engineering	120+6*
Computer Engineering	60+3*
Automobile Engineering	60+3*

* Why diploma after 10th??

- 👁 Student can study in Gujarati & English Medium both.
- 👁 More Job Opportunities.
- 👁 After completion of Diploma course, student can avail the HSC (12 th) science equivalent certificate.
- 👁 After completion of diploma, student can get admission in second year degree course as well as they can go abroad for higher study.

Admission procedure:

- 75% of the seats will be filled by Admission Committee for Professional Diploma Courses (ACPDC) (Government Quota).
- 25% of the seats will be filled by Management which consist of 15 % NRI Quota and 10% management Quota.

Scholarships:

Sr.No.	Name of Schemes	Eligibility Criteria
01	(BCK-6.1) Post Matric Scholarship for SC students (Government of India Scheme)(Freeship Card Student Only) Umbrella Scheme for Education of ST Students Post-Matric Scholarship	Student must be from SC/ST Category. Website: https://www.digitalgujarat.gov.in/
02	BCK -325 Educational Assistance for NTDNT Students Studying in Self Financed College(NTDNT)	Student must be from SEBC Category. Website: https://www.digitalgujarat.gov.in/
03	BCK-81A Post Matric Scholarship of Government of India for the OBC students	Student must be from SEBC Category.Ø Website: https://www.digitalgujarat.gov.in/
04	MYSY (Mukhymantri Yuva Swavlamban Yojana)	In 10 TH Minimum 80 percentiles. Website: https://mysy.guj.nic.in/
05	MOMAS(Ministry of Minority Affairs and Schemes)	Student must be from religious minority group. Website: https://scholarships.gov.in/

From the Principal's Desk

Knowledge is Power. It is the strength of a civilization. The advancement of Technical Education and Information Technology is the need of the hour. TDEC emphasizes value based teaching & learning with ample educational opportunities and avenues. It guides the ambitious and aspirant youth to lead them to new heights of academic success that would lead to gainful occupation and prosperity in life. The Institute provides quality education and helps the students to develop creative thinking, analytical aptitude and to acquire management techniques both in practical fields as well as academics.

Institute have highly qualified, experienced and dedicated faculty, state of art infrastructure and a pleasant environment, which enables the students to meet the demands of present times.

The management of STBS trust is whole heartedly committed towards providing excellent infrastructure facilities to its students. The layout of the building is architecturally aesthetic. The campus includes well planned administrative and academic blocks, lecture halls, auditorium, laboratories, computer center, seminar hall, workshop, library etc. Our honorable trustees have always given a strong support for the progress of this college.

"Believe in yourself, with Knowledge and Confidence."

Prof. Y. S. CHOUPARE
(Principal)

HUMANITIES AND SOCIAL SCIENCE DEPARTMENT:

Vision:

Shaping the young minds by enhancing academic development for social betterment.

Mission:

H.&S.S.department imparts an essential holistic science education for innovative learning in technical education on basis of ethical value.

ENRICHMENTS:

(A) SCOPE CENTRE:

The Society for Creation of Opportunity through Proficiency in English (SCOPE) has been setup by the Government of Gujarat to build English language proficiency for the youth of Gujarat and thereby to provide employment opportunities for the youth.

Classes for different levels of SCOPE program are conducted at institute.

Structure of Programme:

Basic level : A1,A2

Advanced level : B1, B2 Proficient level: C1, C2

(B) Language lab:

The Humanities and Social Science Department has a modern Language Laboratory with state-of-the-art audio-visual equipment to aid in imparting language skills. The Laboratory is effectively utilized by students and faculty members for various self- enhancement and soft skill development activities. The basic purpose of the lab is to provide a platform to enhance English language skills, communication skills and to practice soft skills.

Language lab is server based & well equipped with audio recording facilities. By which students' performance can be self-evaluated as well as they can identify the areas that need to be improved or changed

Details of Activity:

- Group Discussion on various topics.
- Body Language and communication skill development.
- Development of Presentations skills.
- Writing skill development.

Chemistry Lab

Basic Electrical Lab

Physics Lab

Programm

Language Lab

CIVIL ENGINEERING DEPARTMENT:

Vision : To impart humans' values with competency in civil engineering field having innovative approach to satisfy global needs.

Mission: To develop civil engineers of high technical skills with ethical values & give exposure to them about latest technological developments.

ENRICHMENTS:

(A) Environment Audit Cell:

Tapi Diploma Engineering College is scheduled-I Environment Auditor approved by GPCB Gandhinagar from 2008. Environment Audit cell having well qualified and experienced staff. Environment audit cell of institute actively involved in to the environment monitoring of Flue Gas & Process Gas, Ambient Air, Water & Waste water and Hazardous waste of different types of industries like Textiles, Sugar, Dyes, Pigments Pesticides, Petrochemical, Chemical, Fertilizer, Pharmaceuticals, Power plants etc..

Environment audit cell also issues certificates for Mass & Water balance, Overall pollution of EMS system, No pollution load, Treatability study report of Effluent Treatment Plant & Environment statement report.

Environment Audit cell

Some of our valuable clients :

- Oil & Natural Gas ,Ltd, Hazira, Surat
- Gujarat Eco - Textile Park Pvt Ltd,(CEPT of GETPL), Palsana
- Shree Kamrej Vibhag Khand Udyog Sahakari Mandali Ltd, Kamrej
- Shree Mahuva Pradesh Sahakari Khand Udyog Sahakari Mandali Ltd, Mahuva
- Candila Healthcare-II, Ankleshwar
- Glenmark Generics, Ankleshwar
- NOCIL Ltd, Dahej
- Sahakari Khand Udyog Mandal Ltd, Gandevi
- Shree SayanVibhag Khand Udyog Sahakari Mandali Ltd, Sayan

(B) Material Testing Cell:

Material testing cell of Tapi Diploma Engineering College was established in year 2012.

Authorisation & Certification Details:

- ISO 9001:2015 certified by Universal Registrars (EA-JAS Accrediated)
- Government Approved Laboratory(AB-Tender Private Lab 1627-2017)
- NABL accredited laboratory having 43 parameters of various testing

Surveying & Structural Mechanics Lab

Water Supply & Sanitary Engg.Lab

Hydraulics Lab

- Vapi Waste & Effluent Management Co. Ltd.- CETP
- Shree Chalthan Vibhag Khand Udyog Sahakari Mandali Ltd, Chalthan
- Shree Ganesh Vibhag Khand Udyog Sahakari Mandali Ltd, Nr Valiya
- Asian Paints Ltd, Ankleshwar
- Candila Pharmaceutical-II, Ankleshwar
- National Thermal Power Co Ltd- Hazira, Surat
- JBF Industries Ltd.
- Shree Maroli Vibhag Khand Udyog Sahakari Mandali Ltd, Maroli
- Colourtext Industries Ltd.(Unit-1),GIDC-Sachin,Surat

Environment Audit cell

MTC provides following types of services:

- (a) Mechanical Testing- Building Materials, Soil & Rock, Mechanical Properties of Metals
- (b) Chemical Testing
- (c) NDT Testing
- (d) Concrete Mix design
- (e) Land surveying
- (f) ERT testing
- (g) Pull –Out test

MECHANICAL ENGINEERING DEPARTMENT:

Vision : Department strives to build sound mechanical engineers with an essence of humanity for enrichment of society.

Mission : Mechanical department aims to serve excellent technical education by:

- Providing in-depth knowledge of mechanical engineering.
- Providing access to modern industrial processes.
- Enhancing competence by encouraging to study beyond curriculum

Fluid Mechanics Lab

Thermal Lab

Material Science Lab

Workshop

ELECTRICAL ENGINEERING DEPARTMENT:

Vision : The electrical engineering department is envisioned to promote teaching & learning activities for shaping the students in academic and professional competence.

Mission : To impart quality and value based technical education enabling the students to meet the growing challenges in the field.

DC Machines & Transformers Lab

Polyphase Transformers & AC Machines Lab

Switchgear & Protection Lab

Power Electronics Lab

ENRICHMENTS:

(A) Energy Audit Cell :

Institute is having team of certified energy manager and auditors by Bureau of Energy Efficiency (BEE, New Delhi). Energy audit cell of institute is GEDA authorized & consists of energy audit experts from electrical & mechanical engineering department. Institute provides energy efficiency improvement program and customized solution for energy savings.

Energy audit cell of college offers energy audit for various industries, commercial complexes & high rise buildings. Energy audit cell of institute has successfully completed various energy audit works as well as energy conservation awareness programs at various colleges from year 2015 to 2019.

(B) Centre for Development In Automation and Control (CDIAC) – Excellence in Automation

The Centre for Developments in Automation and Control (CDIAC) is set up at institute to Prepare Automation Engineering Experts for Industry and Business. This centre is well occupied with resources like PLC/DCS/Arduino controller/SCADA/HMI/Drives to provide unique opportunity for academicians and engineers to learn and apply the tools and techniques in Automation and Control.

This centre is inaugurated on 16th September, 2016 & this centre is open for all Degree/Diploma engineering students, Faculty members or Engineers interested in Automation or relevant field.

8

COMPUTER ENGINEERING DEPARTMENT:

Vision : To mould technocrat in the field of computer engineering with innovation skills, moral values and societal concerns.

Mission : To develop the computer engineering department in the field of technical education by:

- Providing excellent infrastructural facilities.
- Encouraging students to apply their potential to solve real life problems.
- Enhancing and grooming students' outer and inner self to develop the positive changes in their life.

Database Lab

Linux Lab

Project Lab

Server Room

AUTOMOBILE ENGINEERING DEPARTMENT:

Vision : To develop the required skills in students to experts in design, production, operation, maintenance, testing, analysis and validation in automobile technologies combined with the ability in innovation professionalism and ethical responsibility.

Mission : To provide innovative, unique and quality professionals in the field of technical education that delivers superior measurable values, needs and demand of the society by providing right ambience, environment and continuous learning-teaching methodology.

Automobile Garage Lab

Automobile electrical system diagnosis & testing Lab

Vehicle air conditioning Lab

Automobile Engine Lab

Automobile Transmission Lab

ENRICHMENTS:

(A) YAMAHA TRAINING SCHOOL (YTS):

- Yamaha training school (YTS) inaugurated at Tapi diploma Engineering College, Surat on 21st October, 2016 with the worthy hands of Mr. Hiroshi Kimura, Director, Yamaha Motors India Sales Pvt. Ltd. As a part of Prime Minister's concept 'Skill India project', this training school is a good opportunity for students' to create self-employment.
- *100 % JOB GUARANTEE AFTER COMPLETION OF COURSE.*

Duration of training:

- The training duration is of 9 month at college and 6 month at dealership.
- Timing for the YTS is be of 6 hours per day including theory and practical classes.

Admission eligibility:

- Qualification: Minimum 8th standard pass.
- Age Criteria: 17 years

(B) Automobile two wheeler service station:

Automobile two wheeler service station is started at Tapi Diploma Engineering College, Surat on 21st march, 2016. Its location is nearer to staff parking area.

Two wheeler service station offers following services at reasonable rates.

- General services.
- Carburetor servicing.
- To replace the air filter /fuel filter/spark plugs/engine oil.
- Checking of Brake Pads/Liners, Brake Discs/Drums, and to replace if worn out.
- To Grease and lubricate components.
- To inspect and replace the timing belt or timing chain if needed.
- To Check condition of the tires, tire inflation.
- To check for proper operation of all lights.
- Washing of vehicles.

Any persons can take the benefit of this service station.

PRADHAN MANTRI KAUSHAL VIKAS YOJANA(PMKVY)

PMKVY is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). The objective of this skill certification scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills is also assessed and certified under Recognition of Prior Learning (RPL).

Our College is running the following courses under PMKVY.

Sr. No.	Name of Course	Time Duration	Intake Qualification	Minimum Educational
1	Assistant Fashion Designer-Apparel	500 Hours	50	12th Pass
2	Export Assistant-Apparel	270 Hours	50	12th Pass
3	Construction Assistant Surveyor	350 Hours	50	5TH Pass
4	Store Assistant-Construction	400 Hours	50	10th Pass

Training & Placement Cell:

The institute is having T & P Cell, which helps the students to simulate industry environment during the coursework & develop job skills, promote leadership qualities, team spirit & create a sense of confidence in the students in handling professional issues. Training and placement cell prepares our aspiring engineers to reach their career goals by conducting training sessions for resume making, mock- interviews and group discussions. The cell liaisons between various companies and our student resources and sets up internships and job opportunities. Many students have got placement in well-known industries through campus recruitment in the renowned industries.

List of following industries visited for campus interview so far :

- | | | |
|--|---|--|
| 1 L & T Hydrocarbon Engg Ltd., Hazira Surat | 2 L & T Heavy Engg., Hazira, Surat | 3 Bajaj Auto Ltd.,Pune |
| 4 John Deere Equipments Pvt.Ltd. Pune | 5 Saint Gobain glass India ltd,Jhagadia | 6 Brake India Pvt. Ltd., Jhagadia |
